

*Benefit from our years
of experience and our
state-of-the-art technology*

Founded in 1987, G.A. Ernst & Associates, Inc has provided audit services to over 16,000 residential homeowners and 2,000 Commercial/Industrial/Multi-Family customers in Minnesota, Iowa, Missouri and North & South Dakota.

RESIDENTIAL:

- Home energy cost analysis
- Uneven heating, cooling and draftiness
- Interior moisture problems
- Indoor air quality concerns

NEW HOME CONSTRUCTION:

- Building Plan Review
- Frame Inspection
- Insulation Inspection
- Final Inspection

COMMERCIAL/ INDUSTRIAL:

- Estimated capital costs
- Annual energy savings
- Assistance with rebates

*Here's what some of our
customers had to say...*

"GA Ernst Associates approached all projects with a straight forward/common sense approach. They researched all options and recommended the most cost effective way to solve the problem and lower energy consumption."

Donald Peterson

VP Multi Family Asset Management
IRET Properties, Minot, ND

"We utilize GA Ernst & Associates for both residential and commercial/industrial energy audits. Because energy audits is all that GA Ernst does, they are very good at it and have a tremendous amount of experience and knowledge. I have had the opportunity to accompany GA Ernst on a number audits and each time I am pleased to learn something new."

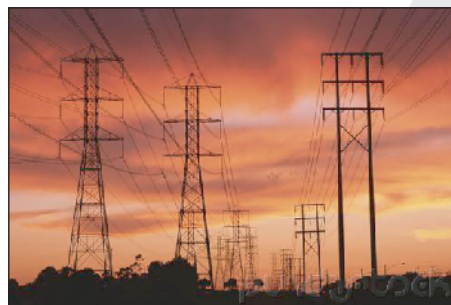

Roger Warehime

Supervisor, Energy Management & SCADA
Owatonna Public Utilities, Owatonna, MN

"Customer satisfaction with the audits that GA Ernst & Associates provides gets a high approval rating, as indicated by the results from surveys and personal phone calls that we receive from our customers."

Matthew Daunis
